Dear SHS Parents:

As many of you are aware we are facing unprecedented times in education. We want to thank you for entrusting in us the right and privilege to give your child the best instruction and support needed for our students to grow and succeed.

In the event of a school closing or cancelation, our students will receive instruction through our distance learning platform. Core content area instructors will deliver daily lessons via Google Classroom or Canvas for on-line instruction. Students are already utilizing this electronic format in these classes on a regular basis and are familiar with its use. This instructional method will be an opportunity for your student to continue to meet the objectives of our Oklahoma Academic Standards and avoid a repeat of the lost learning time that still affects many students. We realize that there may be obstacles to overcome as we work together to provide our students with an excellent continuous learning experience on inclement weather days or school cancellations, and we are committed to making those lessons meaningful, low-stress, and in line with our state standards.

In the event of a bad weather day, you will receive a notification via our school messenger system. Students will be able to log onto their Chromebook and receive their instruction via Google Classroom or Canvas. These two instructional delivery options will be for day-to-day instruction until we return to face-to-face learning. If internet access is unavailable from an internet provider or a mobile hotspot is not an option for your student, contact the High School office for assistance. As always if you have any questions please feel free to contact the Sperry High School office at 918-288-7213 ext. 120.

Thank you,

A handwritten signature in blue ink that reads "Richard Akin".

Richard Akin  
High School Dean of Students
