08.21.2026

Dear Sperry Public Schools Administration,

I wanted to give you advance notice of an upcoming road closure that may affect school transportation, staff, or families in the area.

The road shown on the attached map will be closed **October 12 through October 16, 2026**, which will only affect the school bus routes for two days. During the closure, through traffic will not be permitted. Access will be granted only to residents living within the closed section.

For those needing to travel around the closure:

- South of the closure: Traffic can use N. 66th West Ave.
- North of the closure: Traffic will need to use N. 73rd West Ave., Bratton Road, and N. 68th West Ave.

We wanted to notify the school well in advance, so you have time to make any necessary transportation or bus route adjustments.

We will also post the closure and detour information on our social media page and a local Facebook community page. Once that information is posted, I can send you the link so the school can share it or add any school-specific transportation information that may be helpful to parents.

Please feel free to contact our office if you have any questions or if there is information we can provide.

Thank you,

Albert Seratt
Road Foreman
Osage County District 2

Note: This is subject to change due to weather conditions or emergencies.
